1. Introduction

BRIGHT TV VIEWERSHIP ANALYTICS -FY16

The Analysis

BrightTV is aiming to grow its subscription base this year, and understanding how users engage with the platform is key. In this presentation, we'll explore user and usage trends, identify what drives content consumption, and recommend strategies to boost engagement—especially on low-consumption days. The goal is to equip the CVM team with clear, data-driven actions to accelerate growth.

2. Bright TV Platform Overview

TV Channels/Views/Subscribers

The top chart shows that BrightTV has 4,386 active subscribers across 19 channels, generating 10,000 total views.

Subscribers/Province

- Gauteng leads with 38% of total active subscribers, showing it's BrightTV's strongest regional market.
- Kwazulu Natal (10%), Limpopo (9%), and Western Cape (8%) follow as key secondary markets.
- Smaller provinces like Northern Cape (1%) and North West (2%) have minimal share, indicating lower reach or engagement.

7. Consumption

Factors Influencing Consumption

- User Behavior Drivers:
 - Time of day
 - Device used (mobile vs smart TV)
 - Subscription tier
- External Factors:
 - Public holidays
 - Major events (e.g., sports finals)
 - Weather patterns (e.g., rainy days = higher viewership)

8. Recommendations

Recommendations Summary

- Content Strategy: Focus on sports, kids' content, and culturally relevant programming. Use themed drops and short-form entertainment to boost engagement on low-consumption days.
- User Growth: Launch referral programs, partner with telcos, and run targeted genre-based ads to attract new subscribers.
- Retention & Engagement: Personalize recommendations, reward loyal viewers, and gamify the experience with badges and streaks.
- Segmentation & Messaging: Group users by engagement, preferences, and churn risk. Use tailored outreach like push notifications, re-engagement emails, and in-app banners.
- Data-Driven Optimization: Leverage behavioral insights—especially for “Unknown” and “Not Specified” segments—to refine content and marketing strategies.
